

# MALLESHWARA MILES AHEAD

**Dr. C.N. Ashwath Narayan**

MLA, Maleshvara Assembly Constituency,  
Minister for Higher Education, Electronics,  
IT & BT, Science & Technology, Skill Development,  
Entrepreneurship & Livelihood,  
Government of Karnataka

## Dear Residents,

By reposing your faith in me for the last 15 years, you have given me the opportunity to serve as your elected representative for three successive terms.

The historic Malleshwara, despite retaining its old world charm, was plagued by a myriad of infrastructure problems when I inherited it.

I have strived hard to address each of these issues, and found appropriate solutions to them. This, despite stiff opposition to certain developmental works initiated by me. I have trudged forward undeterred, believing that long lasting solutions take precedence over short term inconveniences.

Today, Malleshwara stands tall as a model constituency with best-in-class infrastructure. We have found sustainable solutions to sanitation and waste management system, addressed drinking water problems, given our roads a facelift, and our parks & lung spaces a makeover.

With your involvement, we have improved the ground water table by effectively harvesting rainwater. While my primary focus has been health and education, I have been equally passionate about sports, skill and urban development. And, development in each of these sectors is palpable.

I have also been effectively engaging with all my constituents through a robust citizen grievance redressal platform.

However, what gives me personal satisfaction is my work during the COVID-19 pandemic. As a medical professional, I was able to take several initiatives at the policy level, strategise them, establish partnerships and linkages within and outside the government, to achieve synergy in efforts, in tackling the pandemic.

This book is an earnest effort towards showcasing developmental projects initiated by me over the last few years.

Looking forward for your continued support, encouragement and involvement in future endeavours. I hope, we can continue to work together to make Malleshwara the best place to reside.

Thank you for reimagining Namma Malleshwara's future with me.

**Yours sincerely,**

### **Dr. C.N. Ashwath Narayan**

MLA, Malleshwara Assembly Constituency,  
Minister for Higher Education, Electronics,  
IT & BT, Science & Technology,  
Skill Development, Entrepreneurship &  
Livelihood, Government of Karnataka

*Heartfelt gratitude for all your blessings for giving me an opportunity to serve as Cabinet Minister & Deputy Chief Minister of Karnataka*

As a lawmaker and a health professional, Dr. Ashwath Narayan is well equipped to handle challenges in the health sector. When the COVID-19 pandemic hit in March 2020, his experience came as a blessing to the residents of Malleshwara, for, all their needs were met on a war footing, with no expense spared.

As **COVID-19 Task Force Chairman** too, his efforts & farsightedness made a marked difference.

Preventive measures initiated by him in Malleshwara were replicated in many other parts of the State.

Dr. Ashwath Narayan has also evolved & executed several novel new age technology healthcare initiatives effectively in the constituency.

**Arogya  
Malleshwara**

**TRUE DEVOTION TO HEALING:**

## BREATHING NEW LIFE INTO K.C. GENERAL HOSPITAL:

With the setting up of the **Indira Gandhi Child Care Emergency Unit** and **Jayadeva Satellite Cardiac Center** at **K.C. General Hospital** in Mallleshwara, people in North Bengaluru now have access to all **Cardiac** and **Pediatric** related care under one roof, at affordable costs.

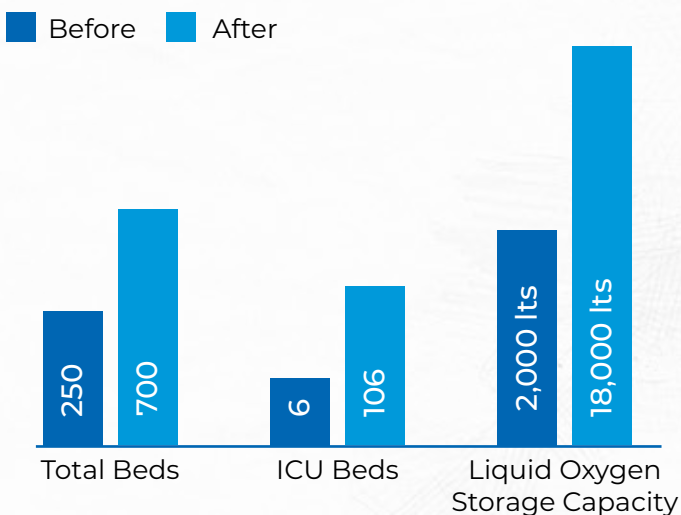

- Over **300 beds** equipped with **hi-tech monitors** to detect vital parameters of patients
- Acute shortage of oxygen supply during COVID-19 pandemic overcame through **'Operation Oxygen'**
- **State-of-the-art 50-bed Trauma Care Unit** planned. Works are underway.

The Indira Gandhi Child Care Emergency Unit was inaugurated by Chief Minister Basavaraj Bommai on October 6, 2022

### K.C. General - After Upgradation

Veteran cardiologist Dr. C.N. Manjunath & Dr. Ashwath Narayan inspecting the Cath Lab at the Jayadeva Satellite Cardiac Center

## DIGITAL HEALTH CLINICS (DHCs) - A GAME CHANGER:

- Malleleshwara PHCs are now **multi-speciality Digital Health Clinics (DHCs)**
- All seven PHCs in Malleleshwara **upgraded** to DHCs under **CSR initiative** & made **operational**
- Malleleshwara's PHCs are the **first in the country** to have **MD Physicians, Dental, Ophthalmology, Physiotherapy, Emergency, X-Ray & Laboratory facilities**
- **Financial burden of patients reduced**, as services made available **free of cost**

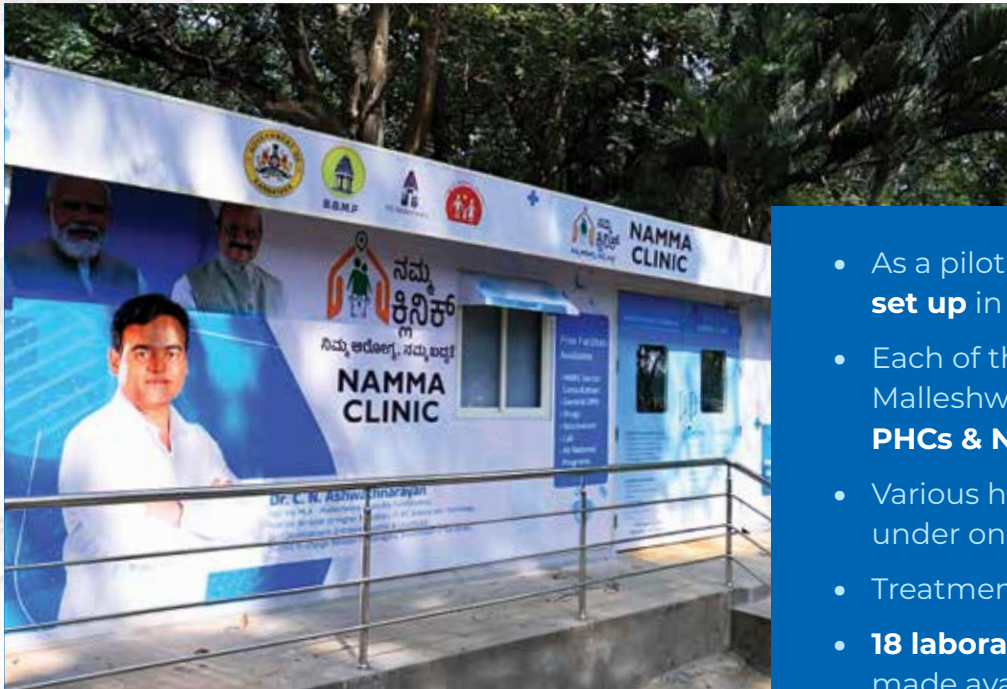

Union Minister Ashwini Vaishnaw at the Mathikere PHC on December 18, 2022

- Specialist eye related services made available in association with Minto Hospital
- **Quality medicines** being made available at discounted rates (**up to 70%**) at **PM Jan Aushadhi Kendras**, in every PHC
- **Digital Medical Records** created for every patient
- More than **250 free lab tests & X-Ray facilities** with **Radiologist consultation** made available

## NAMMA CLINICS - UNIVERSAL PRIMARY HEALTHCARE IN URBAN AREAS:

- As a pilot, **first Namma Clinic set up** in Malleśwara
- Each of the **7 wards** in Malleśwara now has **both PHCs & Namma Clinics**
- Various health facilities to all under one roof
- Treatment by **MBBS doctor**
- **18 laboratory facilities** made available

### Lab Investigations (Private Labs v/s Labs In Digitised PHCs)

SL. NO.	INVESTIGATION	PVT. LAB PRICE	PHCs
1.	FBS	₹65	FREE
2.	PPBS	₹65	FREE

PHCs & Namma Clinics, daily

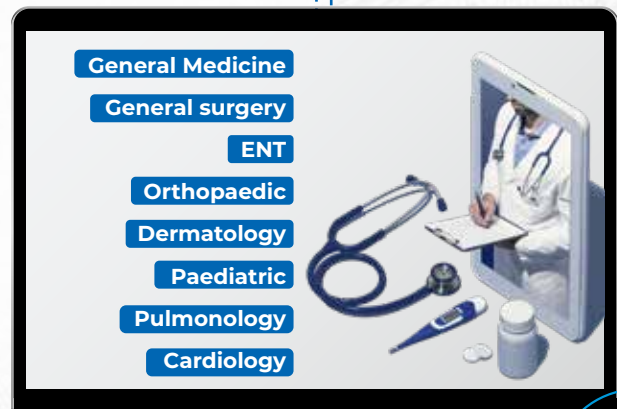

Namma Malleashwara  
#AROYAMALLESHWARA

## SMART VIRTUAL CLINICS (SVCs) - THE CUTTING EDGE OF HEALTHCARE:

- **Virtual examination & consultation** of the patient through **Technology Interfaced Medical Equipment**
- Patients walking into DHCs get connected with **specialist doctors at E-Command Health Centers** for diagnostics, examination, prescription & other services
- This is a **first of its kind initiative in India**
- Offers tech-driven speciality services like **Cardiology, Pulmonology, ENT, General Medicine, General Surgery, Orthopaedic, Dermatology & Paediatric**
- Cuts down **out of pocket expenditure**
- Shortage of specialist doctors addressed
- **Digital Medical Records** of patients created

# COVID-19 MANAGEMENT - LEAVING NO ONE BEHIND:

- **First public vaccination drive** held in Malleśwara
- Over **7 lakh vaccine doses** administered in the constituency
- More than **1 lakh vaccine doses** administered through **CSR** alone
- **Door-to-door vaccination** administered to those who could not travel to the vaccination center
- Distributed **free medical kits with face masks, sanitisers & medicines**

Deployment of Oxygen Concentrators

- Established first **Oxygen Concentrator Bank**
- **100 oxygen concentrators** made available for the needy in Malleshwara
- Over **1,000 oxygen concentrators** made available across the State
- Deployed **Mobile Vaccination Centers**
- Disbursed over **2.70 lakh food packets** to households
- **40,000+ ration kits** distributed under 'MLA Cares' initiative, twice
- Distributed over **1.80 lakh litres of milk**
- **Door-to-door blood sample** collection held for better COVID management
- **Door-to-door & drive-through swab collection** was initiated
- Strengthened existing **clinical health services** at **BBMP health centers**
- Medicines disbursed to home-isolated infected patients

Effective drive-through swab collection

Distributed free medical kits with face masks, sanitisers

2.70 lakh food packets distributed during the pandemic

## Odu Malleshwara

ANCHORED IN EXCELLENCE:

Dr. Ashwath Narayan has remained committed to providing quality, affordable & inclusive education in the constituency. Today, government schools in Malleshwara have set a benchmark for other schools in the entire State. These schools, where the medium of instruction is in both Kannada and English, are of the highest standards, having integrated all aspects of learning. One can proudly claim that Malleshwara has the **Best Government Schools** today. Emphasis has been on the learning system, empowerment of teachers and capacity-building. He has been instrumental in setting up labs, sports facilities and promoting digital literacy in schools in order to bridge the gap between government and private schools. These measures have helped improve the overall quality of the schools, in addition to enhancing enrollment of students.

## MALLESHWARA SCHOOL MODEL (MSM):

- Mallethwara is home to **23 government schools** in **13 campuses**
- A total of **3,116 students** are studying in these schools from Classes 1 to 10
- **MSM launched** by CM Basavaraj Bommai on October 28, 2022
- **Housekeeping staff outsourced** to **13 campuses** from **Dr CNA Foundation**

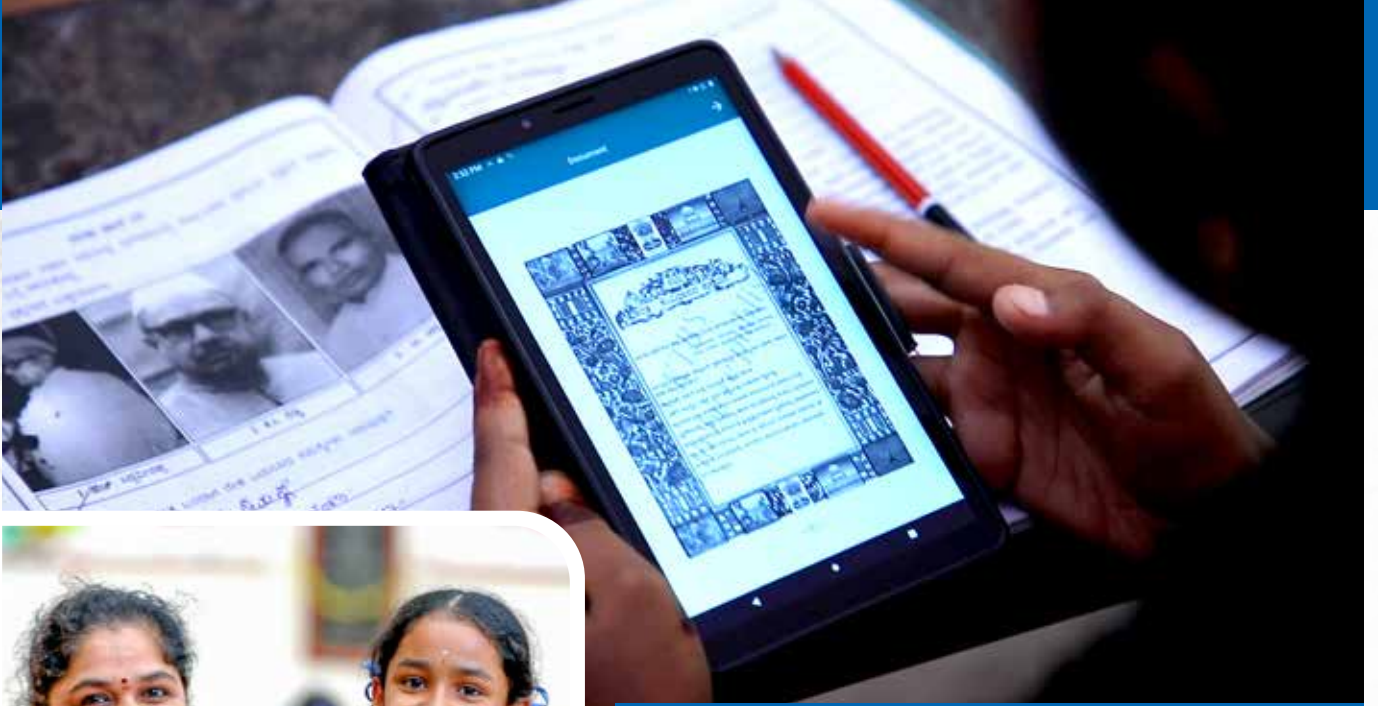

- **Civil infrastructure gap closed** by upgrading classrooms, labs & toilets in all schools
- Digital infrastructure ramped up in all schools with **Wi-Fi facilities**
- One **Smartboard** distributed to each school
- **55-inch Smart TV** distributed to all **70 classrooms**
- **7-inch Tablet** distributed to **1,124 high school students**, under CSR
- One laptop each for four primary school children distributed

### Wi-Fi facilities with High Speed Internet

2015-16		2022-23
23 Laptops		336 Laptops
22 Smart TVs		70 Smart TVs
		23 Smartboards
		1,124 Tabs
		Wi-Fi Campus

- **336 laptops** distributed to **1,072 students** studying in Classes 4 to 7
- **3,750 Foundational Literacy & Numeracy (FLN)** based workbooks in Maths, English & Kannada disbursed to primary school students
- As a pilot, **Digital Lesson Plan** made available to teachers to impart Science lessons for Class 7 students
- **Know Your Children (KYC)** - A project which helps parents track the progress of their wards
- Special classes & mock tests being conducted for SSLC students

Know Your Children (KYC) initiative successfully launched in all government schools in the constituency, as part of Malleshwara School Model (MSM) concept. KYC helps parents track their child's progress on a day-to-day basis

- 42 out of 140 govt school students who participated in the **Dell Olympiad**, won prizes under different categories
- **Science Labs** set up in 7 government high schools
- **Atal Tinkering Lab** set up for school students in 18th Cross, to foster curiosity, creativity & imagination
- **English Language Lab** set up in 13th Cross School for **3,000+ students**
- **Science Parks** developed in 18th Cross, 13th Cross & Santhe Beedhi
- **Puneeth Satellite Ground Station** in 18th Cross Government PU College campus set up for students to participate in the development of the **satellite KGS3**. This is the **first & only satellite project in the country developed by school students**
- Dr CNA Learning App launched for students writing **CET, NEET, JEE** exams
- A new **Multidisciplinary Women's College** set up in Malleshwara, by Bengaluru City University, in September 2021

## #ODUMALLESHWARA:

Laptops provided to students

Tablets provided to students

Smart TVs distributed to schools

Montessori Model based Anganwadi centers

Puneeth Satellite KGS3, was the first satellite developed by school students, in association with ISRO, under the Azadi Ka Amrit Mahotsav programme

## Aadu Malleshwara

ENABLING WINNERS:

Dr. Ashwath Narayan firmly believes that sporting activities help develop strong leadership skills among youngsters. Understanding that **quality infrastructure** is the backbone of sports, he has been making concerted efforts to give children of Malleshwara the chance to turn their talent in a particular sport, into a career.

# CHANDRASHEKAR AZAD MAIDAN - A SPORTSPERSON'S HAVEN:

- State-of-the-art playground to produce **international standard athletes**
- Inaugurated on October 1, 2022
- This 5-line playground features **183-meter-long Synthetic Athletic Track**
- **Houses Kabbadi & Badminton Courts & Long Jump Runway**
- Equipped with **Flood Lights, 500-seat Viewer's Gallery, Gym, Changing Rooms & Toilets**
- Also developed **Vyalikaval, 18th Cross, Malleshwara, Subrahmanya Nagara Stadium, Kodandaramapura & Sadashiva Nagara playgrounds**
- MoU between BBMP & athlete **Pramila Aiyappa** to train children in **Athletics**. Presently **40 children** are being trained
- MoU with **National Sports Club** to impart training in Kabbadi to children

India's first Padel Court set up in Sadashiva Nagara

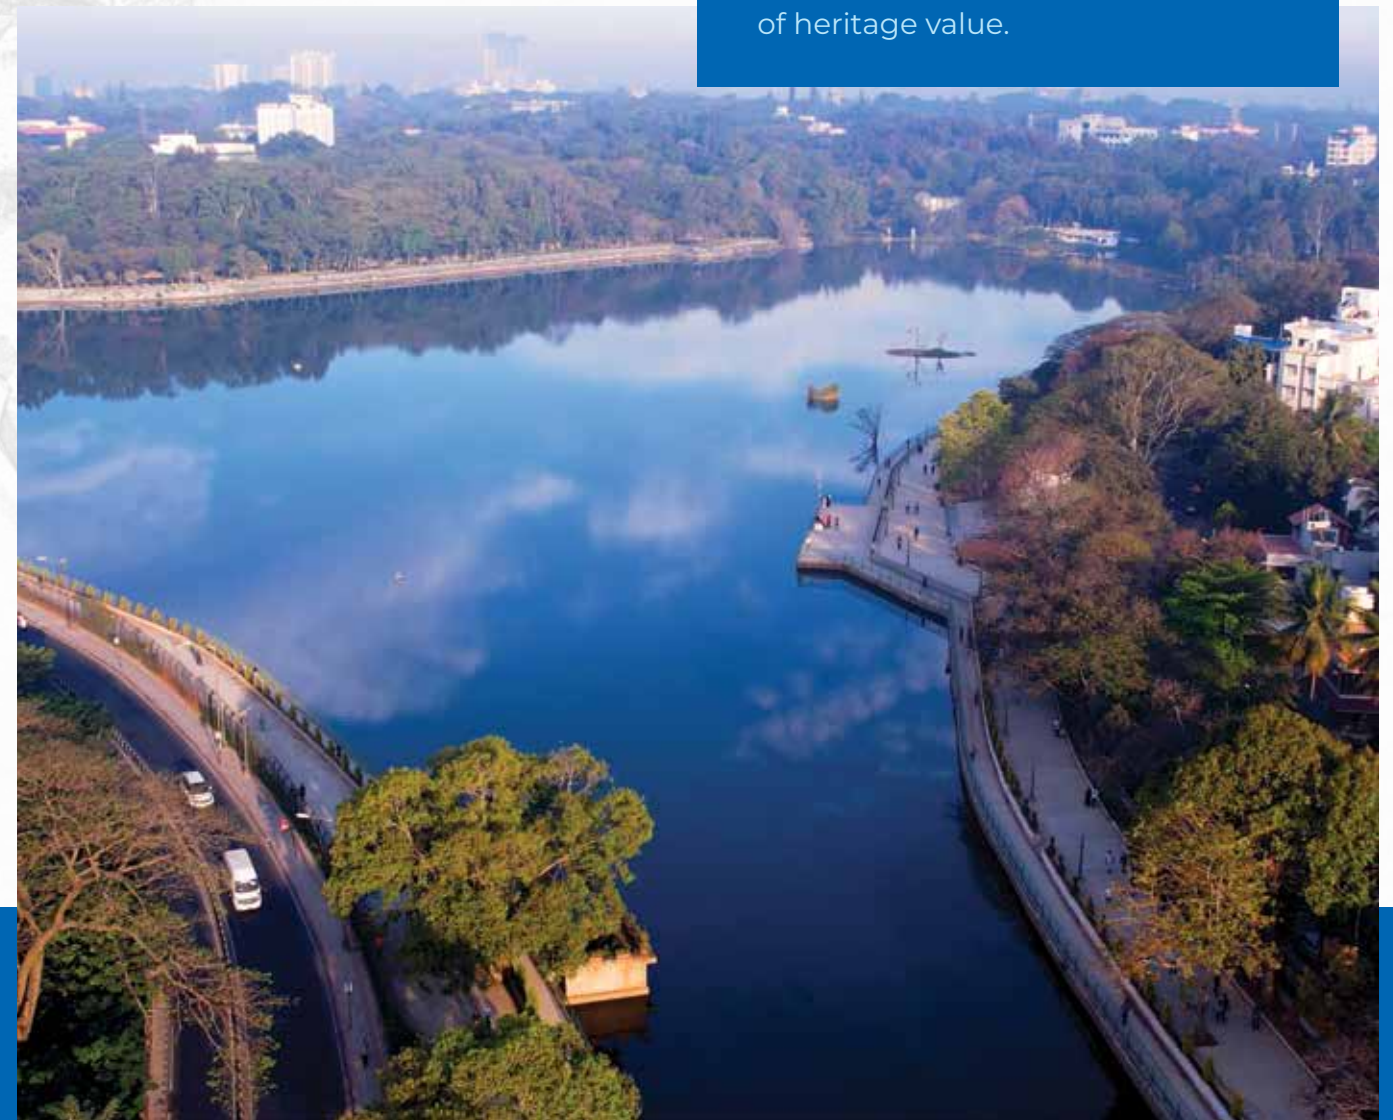

Upcoming Sports Complex in 16th Cross

## Sundara Malleshwara

SIGHT TO THE SORE EYES:

Dr. Ashwath Narayan has been successful in transforming Malleshwara into a serene and beautiful constituency, by revamping its major **Lakes, Parks, Temples And Playgrounds**. The constituency continues to retain its old-world charm, because of the many heritage buildings it houses. Efforts are on to protect and preserve these structures of heritage value.

## INJECTING NEW LIFE INTO ICONIC BUILDINGS:

- **H.V. Nanjundaiah residence** being restored for adaptive reuse
- Located in 6th Cross, **HVN Bungalow** was built in the year **1915**
- The iconic building will be **donated to the Govt. Girls High School**
- It will also be developed into a **Museum** to showcase **Malleeshwara's development**
- **100-year-old heritage building** of Govt. PU College & High School also being restored
- The iconic stone building is located in 18th Cross

Government PU College in 18th Cross, Malleeshwara

Dr. Ashwath Narayan accompanied Royal Scion of Mysuru Yaduveer Wadiyar, German Consul General Achim Burkart & Deputy Consul General Karl Philipp Ehlerding during their visit to the HVN Bungalow in March 2021

## MALLESHWARA'S PRIDE AND JOY:

- Sankey Tank developed & beautified with attractive landscaping by **Total Environment**
- The Tank has been electrified & developed with **Walking Paths & Jogging Tracks**
- **Rajakaluves developed** to improve water flow into the lake from seven directions
- As a result, the lake has been **filled to the brim** in the last three years
- Waste generated from temples being used to make **fertilisers**
- Around **10,000 saplings** distributed across the constituency, annually
- Regular **upkeep & maintenance** of all parks

*Dr. Ashwath Narayan performs 'puja' after the rejuvenation of the 'kalyani' at Sri Venugopaldaswamy Temple*

# Saukarya Malleshwara

SOLID FOUNDATION  
FOR BRIGHTER FUTURE:

With a bold vision for Malleshwara, Dr. Ashwanth Narayan has worked towards its overall development, catering to all basic amenities. Malleshwara today stands as a **Model Constituency**, not just in Bengaluru, but its development model is being replicated across the State.

## DEVELOPING LIFELINES OF MALLESHWARA:

*Margosa, Sampige, CV Raman & Canara Union roads developed under Tender Sure & White Topping projects*

Brick Based Manholes	600

All UGDs & manholes being rehauled to eliminate sinkholes

**In 2013**  
Water Leakage  
Stood at 45.71%

**By May 2021**  
The Leakage  
Came Down  
to 25.3%

**By Dec 2022**  
Leakages Stood  
at 14.72%

- **33,000+ houses** provided with new pipelines under **UFW project**
- **243.20 km** odd pipeline network laid - 85% works completed
- All water & sewage pipes over **70-years-old, replaced with long-lasting pipelines**
- Water brought from a distance of **110-km**; pumped to a height of **180 mt**
- With leakages plugged, **water pressure improved**
- Houses on higher floors too receiving water without trouble
- **Trunk lines, feeder lines, GLRs rehabilitated**

## MALLESHWARA SAHAAYA 2.0:

A **technophile**, Dr. Ashwath Narayan has seen to it that his constituency has embraced technological advancements & innovations. By adopting IT solutions like robust **Citizen Grievance Redressal platform & GIS**, he has ensured **better governance**

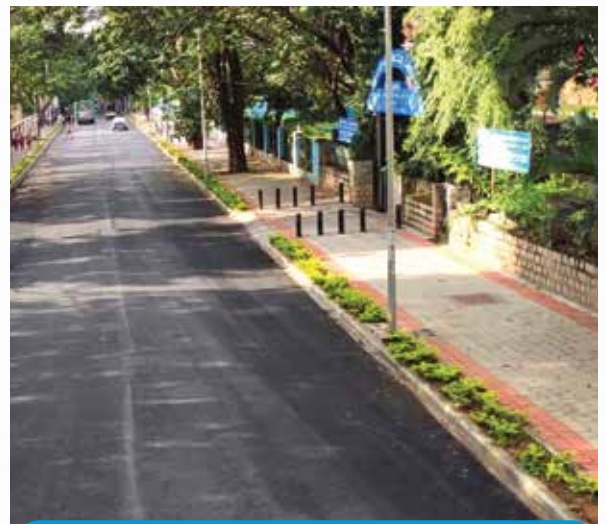

LODGE YOUR COMPLAINTS AT  
**9945 100 200**

To report grievances physically, visit:  
#97/2, 4th Main, 11th Cross  
Next to BP Indian School  
Malleshwara

## SURAKSHA MALLESHWARA:

Dr. Ashwath Narayan has given major thrust towards making Malleshwara a safe haven. He is steadfastly working towards making Malleshwara more safe for women through the **Malleshwara Eye** initiative. **CCTVs** have been installed across the constituency, using funds under the **Nirbhaya Scheme**. Cameras have also been installed to ensure **safety of residents**, to check reckless **waste disposal** and to assist **traffic police**. Impetus has also been given towards installation of streetlights, proper maintenance of **public toilets** and **walkable footpaths**.

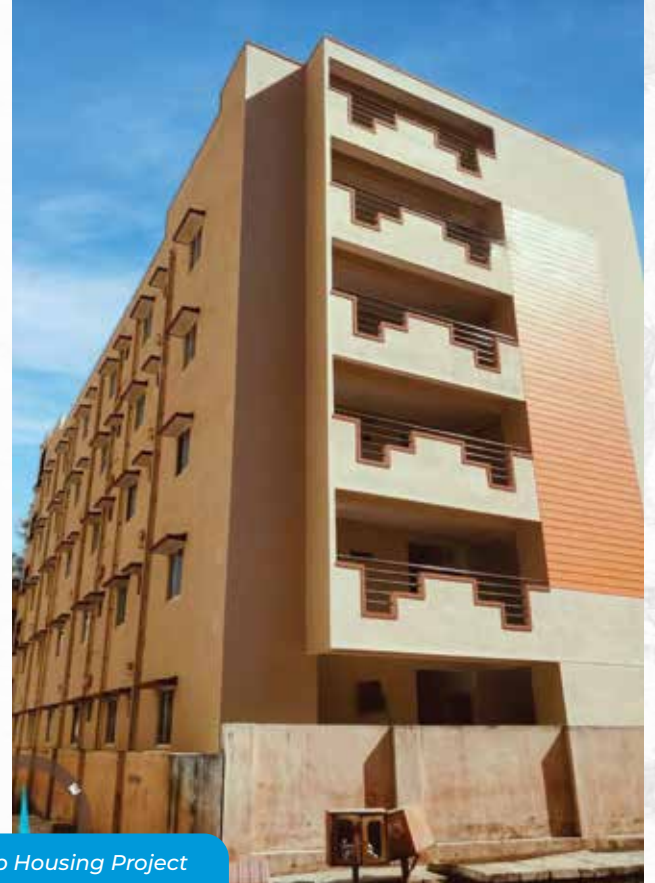

*Footpaths widened to improve pedestrian access. Physical barriers installed to prevent parking on pathways*

*Malleshwara's first skywalk with escalators*

- Works on **Sanskrit University** in Thippasandra village, Magadi, underway
- First to start **Model Gram Panchayat Concept Schools**
- Model Rural **DHC** planned in Sankighatta
- Construction of **Bangalore University campus** in Ramanagara underway

Artist's impression of hi-tech Cocoon Market

Newly inaugurated 550-bed District Hospital

## VANGUARD OF A PROMISE:

Dr. Ashwath Narayan has paid a fitting tribute to **Bengaluru's founder Kempegowda**, by ensuring the successful installation of the **108-foot Statue of Prosperity at the KIAB**, which holds the **world record** for being the **tallest statue of the founder of a city**.

He has also resolutely championed the overall development of Bengaluru City & successfully taken forward Nadaprabhu Kempegowda's vision of transforming it into a Global City.

Harnessing his experience as a three time MLA from a key constituency in Bengaluru, Dr. Ashwath Narayan, as Deputy Chief Minister, has been instrumental in securing key decisions, which have today propelled the City to be **future-ready**.

Dr. Ashwath Narayan believes that the BJP's unwavering stance on developing Bengaluru into a City of Prosperity, would come to fruition sooner than expected.

Today, Bengaluru is one of the **fastest growing tech hubs** & is home to scores of startups & IT companies. It is also one of the top three destinations for **data science** & **Artificial Intelligence**. As the hottest destination for higher education & medical technology, Bengaluru has been aptly branded as the **"City of Opportunities"**.

- Enactment of **Bengaluru Metropolitan Land Transport Authority (BMLTA) Act & BBMP Act**
- Strengthening of the **BMRDA**
- Fast tracking development of the **Peripheral Ring Road & Bengaluru Satellite Town Ring Road (STRR)**
- Acceleration of the **Cauvery Stage 5 project**
- Push given to the **Bengaluru Metro project**
- Implementation of the much awaited **Suburban Railway Project**
- Distribution of **1 lakh houses** to BPL families in Bengaluru under **CM Housing Scheme**
